## Bed in Summer

by Robert Louis Stevenson

In winter I get up at night  
And dress by yellow candlelight.

In summer, quite the other way,  
I have to go to bed by day.

I have to go to bed and see

The birds still hopping on the tree,  
Or hear the grown-up people's feet  
Still going past me in the street.

And does it not seem hard to you,  
When all the sky is clear and blue,  
And I should like so much to play,  
To have to go to bed by day?
